Looking Ahead

Mansons Hall Mercantile

INTRODUCING THE NEW COMMUNITY SHOP AT MANSONS HALL!

We're excited to share that our new shop held its soft opening on November 28th & 29th. The store will have its grand opening on February 13th, alongside the first Friday Market after the winter break.

The shop features a curated mix of goods from local makers and West Coast artisans, including clothing, pottery, jewelry, skincare, bath products, Turkish towels, tinctures, art, cards, and more.

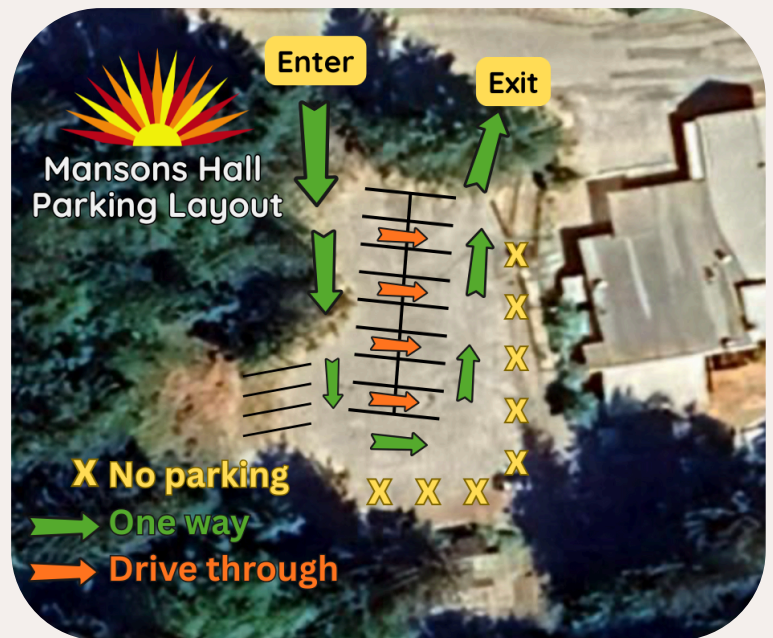

This space was created to support local creators and offer the community a place to find quality, handmade items. We look forward to welcoming you back in February!

Parking lot

FOLLOW THE PARKING LAYOUT AT MANSONS HALL.
